2.2.5 Review Procedures for the RRPTs

To ensure that the RRPTs are undertaken on an arm's length basis and on the Group's normal commercial terms consistent with the Group's usual business arrangements, practices and policies and on terms not more favourable to the Related Parties than those generally available to the public and will not be detrimental to minority shareholders, the Board Audit Committee will ensure that:-

- i) the transactions with the Related Parties will only be entered into after taking into account the pricing, level of service, quality of product and other related factors, which are generally on terms not more favourable to the Related Parties than those extended to unrelated third parties and are not to the detriment of the minority shareholders;

- ii) the pricing, level of service and quality of products shall be at the prevailing market rates/prices of the service or product including where appropriate preferential rates and discounts accorded for bulk purchases (the same as are accorded to third party for bulk purchase) and on the service or product provider's usual commercial terms, and otherwise in accordance with applicable industry norm;
- iii) wherever possible, at least two other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as a comparison to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated parties for the same or substantially similar type of products/services and/or quantities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained as the products or services are proprietary in nature or where the end customer has specified the requirements for the Company/Group to source from Related Parties, then the Company/Group will rely on the most recent available quotations or purchase price for comparison or rely on market knowledge of prevailing industry norm and taking into consideration the urgency and efficiency of the delivery of product or services to be provided to ensure that the RRPTs are not detrimental to the Company/Group;
- iv) the terms and conditions on purchases and sales are determined by market force, under similar commercial terms for transaction with third parties which depend on the demand and supply of the products and subject to the availability of the products in the market;
- v) the cost-plus method will be used where appropriate in determination of fair price or contract rates. This method determines the arm's length price or rate by adding an appropriate mark-up to the cost of production;
- vi) All RRPTs amounting to more than RM500,000 are subject to review by the Board Audit Committee and approval of the Board, and further subject to the provisions in the Listing Requirements and/or the Act, where necessary.
- vii) The Board Audit Committee will review the record maintained by the Company for all RRPTs entered into amounted to less than RM500,000 which require the Group Chief Executive Officer's approval pursuant to the Group Policy on Related Party Transaction/RRPTs, on a quarterly basis to ensure that they are within the mandated amount.
- viii) Where tender evaluation is undertaken for a RRPT, the RRPT concerned will be reviewed by the Board Tender Committee to ensure the appropriate tender evaluation processes are undertaken before recommending to the Board Audit Committee for review; and
- ix) All procurement to be undertaken by the Group are subject to the relevant procurement processes under the Group Procurement Policy.

Further, where any Director has an interest (direct or indirect) in any related party transaction, such Director shall abstain from deliberation and voting on the matter. Where any member of the Board Audit Committee is interested in any transaction, that member shall abstain from deliberation and voting on any matter relating to any decision to be taken by the Board Audit Committee in respect of such transaction.

Pursuant to Practice Note 12 of the Listing Requirements, in a meeting to obtain the Proposed Renewal of Shareholders' Mandate and the Proposed New Shareholders' Mandate, the interested Director, interested Major Shareholder or the Person Connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder shall abstain from voting on the resolution approving the RRPTs.

An interested Director or interested Major Shareholder must also ensure that Person Connected with such Director or Major Shareholder abstain from voting on the resolution approving the transactions. Interested Directors shall also abstain from deliberating at board meetings in respect of the RRPTs in which they have an interest.

Disclosure will be made in the Annual Report 2020 of the Company of the aggregate value of transactions transacted during the financial year pursuant to the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate where the aggregate value is equal to or exceeds the applicable prescribed threshold under Paragraph 10.09(1) of the Listing Requirements.

Shareholders' approval will be sought for the renewal of such mandate at each AGM subject to a satisfactory review by the Board Audit Committee of its continued application to the RRPTs.

2.2.6 Excluded Transactions

Transactions with any Related Party, which do not fall within the ambit of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate will be subject to other applicable provisions of the Listing Requirements, the Act and/or any applicable law.

2.3 Statement by Board Audit Committee

The overall responsibility of determining whether the procedures for reviewing all RRPTs are appropriate rests on the Board Audit Committee. The Board Audit Committee has the authority to delegate this responsibility to such individuals within the Company as it shall deem fit. The Board Audit Committee will at least once a year, conduct a review and ascertain that the guidelines and procedures established to monitor RRPTs have been complied with.

The Board Audit Committee of the Company has seen and reviewed the procedures mentioned in Section 2.2.5 above and are satisfied that:-

- (i) the Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner; and
- (ii) the procedures above are sufficient to ensure the terms of the RRPTs are fair, reasonable and on normal commercial terms; are not more favourable to the Related Party than those generally available to the public; are not detrimental to minority shareholders and are in the best interest of the Group.

2.4 Rationale and Benefit for the RRPTs

The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate are intended to allow the Group to enter into the transactions described in Section 2.2.3 above with the classes of Related Parties specified in Section 2.2.2 above in the ordinary course of the Group's business on normal commercial terms, in a timely fashion, and eliminate the need for the Company on each occasion, pursuant to the financial limits imposed by Paragraph 10.08 of the Listing Requirements, to seek the shareholders' approval as and when potential transactions with the specified classes of Related Parties arise, thereby reducing substantially the administrative time, inconvenience and costs associated with the convening of such meetings without compromising the corporate objectives and adversely affecting the business opportunities available to Pos Malaysia Group.

Shareholders of the Company will appreciate that the RRPTs, as outlined in Section 2.2.3 above, are intended to facilitate transactions in the ordinary course of business of Pos Malaysia Group which are transacted from time to time with Related Parties, are carried out

on an arm's length basis on normal commercial terms which are not prejudicial to the interests of the shareholders, not more favourable to the Related Parties than those generally available to the public and not detrimental to the minority shareholders.

The benefits accruing to Pos Malaysia Group from the RRPTs, amongst others, stem from the close working relationships with the Related Parties in the RRPTs. These close relationships should ensure timely delivery and provision of services, commitment and reliability of quality services for the Group in order to ensure the smooth operation of the day-to-day business of the Group as well as to fully realise the business synergies within the Group.

In addition, part of the RRPTs involve services provided by Pos Malaysia Group to the Related Parties and these transactions will create business opportunities and revenue for Pos Malaysia Group.

**1. Kuala Lumpur High Court Suit No WA-22NCC-456-09/2020
Bank of Utah as Plaintiff vs Gading Sari Aviation Services Limited and World Cargo Airlines Sdn Bhd as Defendants**

On 28 September 2020, Gading Sari Aviation Services Limited, a Labuan based company ("GSAS") and World Cargo Airline Sdn Bhd (formerly known as Pos Asia Cargo Express Sdn Bhd) ("WCA") (collectively referred to as "Defendants") were served with a Writ of Summons and Statement of Claim, filed at the Kuala Lumpur High Court by the Bank of Utah ("Plaintiff"). The Plaintiff is a corporation organised under the laws of State of Utah, United States of America.

GSAS is a wholly owned subsidiary company of WCA, and WCA is an associate of Pos Aviation, which in turn is an associate of Pos Malaysia.

The Plaintiff is claiming for, inter alia, the sum of USD8,782,964.00 (equivalent to RM36,422,951.70) being the losses, damages, expenses, costs and/or liabilities sustained by the Plaintiff as a result of alleged multiple breaches and/or defaults under Lease Agreement dated 13 February 2013, between the Plaintiff and GSAS, for the lease of an aircraft by the Plaintiff to GSAS ("Lease Agreement") and a Sublease Agreement dated 15 March 2013, between GSAS and WCA, for the sublease of the same aircraft. Contractually, the Plaintiff is the Lessor, while GSAS and WCA are the Lessee and Sub-Lessee respectively.

The Defendants and its legal advisors have reviewed the aforesaid claims; and will take all the necessary steps to defend against the claims and ensure the rights of the Defendants are protected. The Defendants have filed their Statement of Defence and Counterclaim on 25 November 2020. The case management has been fixed on 16 April 2021 for parties to obtain further instructions from the Court.

On 15 April 2021, the Plaintiff sought an extension of time for parties to file any interlocutory applications. The Court granted the extension for all interlocutory applications to be filed on or before 14 May 2021 and the next case management has been fixed to 18 May 2021. The trial dates for this matter have been fixed between 26 to 29 July 2022.

**2. Kota Kinabalu High Court Suit No BKI-22NCVC-18/2-2019
MD Intech Sdn Bhd as Plaintiff vs Pos Logistics as Defendant**

On 20 February 2019, the Plaintiff, MDI Intech Sdn Bhd (“Plaintiff”) filed a claim at Kota Kinabalu High Court against Pos Logistics (“Defendant”), a wholly owned subsidiary of Pos Aviation, which is in turn is a wholly owned subsidiary of Pos Malaysia.

The Plaintiff is claiming for, inter alia, the sum of RM 14,967,287.39 as damages, expenses, costs, loss of future profit purportedly sustained by the Plaintiff as a result of the Defendant’s breach of a “draft” contract which the Plaintiff contend has been “concluded”.

Messrs Norbert Yapp & Associates are of the view that, given the nature of dispute, the Defendant’s chances of success depend on the evidence extracted at the trial as to what transpired between parties at the material time. Based on the evidence available now, the Defendant has a fair chance to resist the Plaintiff’s claim. Even if the Plaintiff is successful on liability, the Defendant has a good chance to argue that a substantive portion of the quantum of damages cannot be proven and/or too remote.

On 24 January 2020, the Plaintiff was wound up by a petition filed by Malayan Banking Berhad. Thereafter, the Plaintiff obtained sanction from the Insolvency Department to proceed with the proceedings at Kota Kinabalu High Court on 23 September 2020.

On 1 April 2021, Messrs Norbert Yapp has filed an application to obtain the Court’s permission to proceed with the Defendant’s counterclaim against the Plaintiff wherein the Court has fixed its Hearing on 10 May 2021. The Court has also directed (i) the parties to complete all pre-trial directions within one month, (ii) another case management on 25 May 2021 and (iii) the trial dates on 1 to 3 November 2021 are maintained.

4. DOCUMENTS FOR INSPECTION
